INTERTRANSIT, S.A., a company providing freight forwarding services, recognizes that the market is increasingly focused on the value of quality. Consequently, the company has taken on the challenge of implementing a management policy centered on the continuous improvement of the quality of service provided to its clients.

To this end, the company has adopted a Quality Management System based on the ISO 9001:2015 standard, across all levels of its organization.

Furthermore, INTERTRANSIT, S.A. is committed to supporting this Quality Policy by providing the necessary physical assets and resources to motivate and train its staff; ultimately, it is the personnel who ensure the proper application of this standard.

INTERTRANSIT, S.A. pledges to meet all client requirements, as well as all applicable legal and regulatory obligations.

The ultimate objective is to provide clients with a service that meets the most rigorous recognized standards and ensures their complete satisfaction—an essential condition for the company’s future viability.
